Readme Windows Background

Overview

Sets a Windows desktop background image and color.
This is a per-user setting; the package is a user-based package.

Setup Steps

Create a *wallpaper1.png* and determine a background color (#Hex code)
Put .png file in *\IntuneApp\Wallpaper* (these will end up in *C:\users\public\documents\Walllpaper*)
Open *\IntuneApp\SetDesktop.csv* and adjust settings
Note: If you are replacing a previously pushed background you must change intune_settings.csv: Change the AppUninstallVersion to match the AppVersion. If you don't adjust this, only new people will get the new wallpaper.

SetDesktop.csv

	A	B	C
1	Name	Value	Comment
2	Wallpaper	wallpaper1.png	Wallpaper file (not path). Blank=No wallpaper, just color
3	WallpaperStyle	Center	Center, Fit, Fill, Stretch, Span
4	BackgroundColor	#000040	Hex Code. Black #000000. Blue #000040.
5	UpdateatLogonOrNow	Now	Now=Update now, Logon=Update at next logon

intune_settings.csv

	A	B	C	D	E	F	G	H
1	Name	Value	Comment

10	AppUninstallProcess		(Optional) Processes to end prior to uninstall. Acrob* style will wс					
11	SystemOrUser	user	(Required) System to install as system, User to install as user					

Settings

Wallpaper

wallpaper1.png
The filename of the wallpaper (just name, no path)
If this is left blank (or invalid) you'll just get the background color

WallpaperStyle

Center – Centers the image on the screen (best choice for widest variety of screen sizes)
Fit – Shrinks image so that it can be entirely seen (letterbox)
Fill – Expands image to cover the screen, leaving some to hang off screen (crop)
Stretch – Breaks aspect ratio of image (stretches each dimension) to align image edges with screen edges.
Span – Pulls the image across multiple displays

Background Color

Use the hex code for the color. (Google color picker: link)
If you choose the background color of your image, you will have a centered image that blends with the background.

Some standard color examples.
black   #FFFFFF
blue1   #000040
blue2   #040E4C
green1 #0C590C
green2 #1A241B
